7" REVERSING CAMERA SYSTEM

Safeguard your journey

Designed with the professional in mind, the Ring RCS700N features an improved 7" digital monitor and a durable IP67-rated AHD Camera with CMOS lens. This allows for 1080p resolution for the clearest vision when reversing. It has 2 channels so allows you to link up with a second camera for extra angles or a cabin view. It also features a 120° field of view and a fully adjustable camera bracket for optimum viewing. The monitor comes with a choice of a mountable U-bracket or a 3M adhesive mount for extra convenience. Ideal for trucks, vans, commercial vehicles, caravans and motorhomes.
