

RTI110T

ULTRAINFLATE 10 ANALOGUE TYRE INFLATOR

Analogue tyre inflator with large on/off button for ease of use. Its stable design keeps the inflator still while in use. Includes a practical angled LED light to help you see the tyre and valve in the dark. Includes a tyre valve cap stem to keep the dust cap secure during inflation and removes the risk of misplacing it. Gauge shows pressure readings in Bar and PSI.

Features

- **Inflates a tyre in 4 minutes***
- **Clear easy to read analogue pressure gauge in PSI and BAR**
- **60cm air hose** allows easy access, wherever the tyre valve is positioned
- **Bright LED light** directed where you need it most
- **3 meter power cable** with easy wind-up internal storage
- **Fitted with 3m power cable** and fused 12V DC power plug
- **Valve storage stem** to ensure valve caps aren't lost during inflation
- **Included 3 piece valve adaptor kit** securely stored inside the inflator

Specifications

Product Code	RTI110T
Voltage	12V
Max Amperage	10A
Wattage	120W
Max Pressure Reading	100 PSI / 6.9 BAR
Air Line Length	60cm
Product Size	H: 152mm x D: 105mm x L: 220mm
Pack Size	H: 164mm x D: 109mm x L: 224mm
Power Cable	3m
Pack Weight	0.956Kg
Case Quantity	4 x 1
Barcode	5055175260969
